

## **Protection of Industrial Property Rights**

- (1) The Exhibitor is held responsible for assuring the protection of industrial property rights (patents, utility model rights, design rights, and trademarks) of the products to be displayed at the Exhibition. The Exhibitor must take necessary actions, such as patent applications, prior to participating in the Exhibition.
- (2) The organizers of the Exhibition shall not be held responsible for protection of industrial property rights on exhibits.

## **About the Use of Personal Information**

- The personal information received from exhibitors registering their VIP guests will be used solely for the production of VIP badges and sending information related to the exhibition to the registered VIP. If you do not wish for Show Management to contact your VIP registrants directly, please contact Show Management separately.
- Show management will release exhibitor contact information on their behalf in the event that a global media service requests it for reporting on the tradeshow or one of Show Management's designated partner companies requests it for administrative matters related to exhibiting. Those not wishing to take advantage of this service are advised to contact Show Management separately.
